

Center for Russian and East European Studies (CREES)

Winter 2010 Courses

Last revised 11/11/09

The following list includes courses relating to Russia and Eastern Europe, many of which can be applied to REES undergraduate and graduate degrees. Independent study and directed reading courses may also be used toward a REES degree when appropriate. Please consult the LSA Course Guide (<http://www.lsa.umich.edu/cg/>) and relevant department for details.

Please note that only courses labeled 300 and above can count towards the REES concentration. The REES senior seminar requirement may be satisfied by any class meeting the following requirements: 1) it must be small (fewer than 25 students); 2) it must emphasize discussion rather than lecture; and 3) it must have a substantial writing requirement.
